**Re. n. 4842 dated 27.10.2022**

**University of Padova – Department of Molecular Medicine**  
**Selection announcement for the awarding of 01 research fellowship entitled**  
**“Reprogramming of cell metabolism by ECM mechanical cues: opening new perspectives for**  
**regenerative medicine and cancer treatment”**

**Candidates shall also refer to the forms and documentation related to the selection announcement available at the links hereunder:**

<https://www.medicinamolecolare.unipd.it/> under the section “bandi”

<https://www.unipd.it/borse-di-ricerca>

Having regard to par. 4 of Art. 80 of the University's “Regolamento di Ateneo per l’amministrazione, la finanza e la contabilità” (Regulations Governing Administration, Finance, and Accounting) and “Regolamento delle borse per lo svolgimento di attività di ricerca”, ( Regulations Governing Research Fellowships) a selection announcement for titles has been published for the awarding of 01 research fellowship at the Department of Molecular Medicine, under the supervision of the Research Project Supervisor, Prof. Sirio Dupont.

The research fellowship shall last for **6 months**.

The research fellowship shall be for a total amount of **€ 9.683,50** and it is financed by the research project AIRC - IG 2018 - Id.21392 entitled “Characterization of a metabolic tumor-suppressor pathway regulated by mechanical tissue tension” of which Prof. Sirio Dupont is responsible. The research fellowship will be paid in deferred monthly instalments.

The Research Fellowship Holder must carry out the following research activity: the research will focus on studying the effects of extracellular matrix and cytoskeletal contractility on metabolism and the signaling pathways that regulate metabolism.

### **Admission requirements**

Specialization degree (a second level degree - D.M. 509/99 and D.M. 270/04)

(The eligibility of qualifications awarded abroad will be verified by the Selection Committee.)

### **Required skills:**

- English knowledge;
- Computer skills: PRISM, Harmony HC Imaging Analysis Software, Columbus Image Data Storage and Analysis System;
- Demonstrated experience in studying the functional relevance of metabolic pathways in in vitro and/or in vivo experimental systems, preferably in the context of experimental oncogenesis.
- Knowledge of the molecular mechanisms of regulation of major signaling pathways relevant in the regulation of metabolism (SREBP, NRF2, mTOR);
- Demonstrated knowledge of basic molecular biology and cell biology techniques.

### **Consideration will be given to:**

- Scientific publications; publication of work in international peer-reviewed journals will be positively evaluated;
- Documented relevant study and research activities.

### **Incompatibility**

The fellowships within this announcement may not be combined with:

- other research grants;
- fellowships of any other kind, with the exception of those awarded by national or foreign institutes to integrate, with periods abroad, the specific research activities required by this announcement.

In the case of self-employed, employed or parasubordinate employed, compatibility shall be determined by the Research Project Supervisor.

Research Fellowship Holder may not have family or kinship relationships up to the fourth degree with lecturers or researchers working at the Department elected as "Research Base", or with Rector, or Director General, or a member of the University Board of Governors.

### **Procedures for submission of application form**

The deadline for submitting the application form is **14 November 2022 at 13:00**.

The application form to use is available at the links indicated on the selection announcement and alternatively, it can be submitted as follows:

1) delivered in person to Segreteria Amministrativa del Dipartimento di Medicina Molecolare, via U. Bassi 58/b, room 60 (4° floor North Complesso Vallisneri) - 35131 Padova, on the following days: Monday – Friday from 09:00 to 13:00;

2) posted by registered mail with advice of receipt to the following address: Segreteria Amministrativa del Dipartimento di Medicina Molecolare, via U. Bassi 58/b (4° floor North, Complesso Vallisneri) - 35131 Padova. Should the application be sent by registered letter, the postmark will not be accepted as evidence of meeting the application deadline. The date of receipt will be considered. Therefore, the application must reach the office before the deadline of this selection announcement.

3) sent by certified e-mail (PEC) to [dipartimento.medicinamolecolare@pec.unipd.it](mailto:dipartimento.medicinamolecolare@pec.unipd.it)

The envelope or subject heading of the email must indicate the following: "Selection Announcement for the Awarding of Research Fellowship -" *insert the title of the research fellowship and the number*" at the Department of Molecular Medicine.

The application must include:

- a) a dated and signed Europass CV, available at the links indicated on the selection announcement;
- b) a photocopy of a valid identity document (Identity Card or Passport);
- c) any other document, qualification or publication useful for the selection process (it is recommended to attach a copy of the thesis);
- d) the substitutive declaration of certification (made in order to declare the conformity of a document to the original) dated and signed, available on the web page of the

Department <https://www.medicinamolecolare.unipd.it/> under the section "Bandi" referring to the specific call.

### **Selection procedure**

Candidates' applications shall be evaluated by a Selection Committee that will be nominated in accordance with the "Regulations Governing Research Fellowships," on the basis of their qualifications.

Prior to assessing candidates, the Selection Committee shall establish the maximum score, criteria and the procedure to be used in evaluating qualifications.

At the end of the selection process, the Selection Committee shall send the report to the Head of the Department for approval.

After verifying the legality of the deeds, the Head of Department shall approve by decree the ranking order and the awarding of the research fellowship.

The administrative office of the Department that issued the selection announcement shall notify the successful candidate.

The winner must accept the award within ten days of notification. Otherwise the winner shall forfeit the right to the research fellowship. In case of renunciation, the fellowship will be awarded to the next eligible candidate, according to the ranking order.

The ranking order will be published on the Department's web page at the following address <https://www.medicinamolecolare.unipd.it/> and on the University's website.

### **Return of Documents and Publications**

Any documents and publications sent to the University can be returned at the applicant's expense after two months from the completion of the selection process, subject to any ongoing litigation.

### **Processing of personal data**

In accordance with Legislative Decree no. 196 dated 30 June 2003 and s.m.i, it is hereby stated that any data provided, in print or electronic format, shall be handled only for the purposes
